The screenshot displays the AZENTIO ONEBanking application interface. At the top, the header includes the date '11-Nov-2022', the language 'English', the application name 'Azentio Software', the user identifier '(AZENTMAIN)', and a user profile icon labeled 'CHECKER'. The main navigation menu on the left is dark blue and contains a 'Configuration' dropdown, three icons (gear, double arrows, and a clock), and a 'Security management' section with a circular arrow icon. The bottom of the sidebar shows two notification items: '22 Appro...' and '11 Mess...'. The main content area is a large, empty light blue rectangle.
