The screenshot shows the AZENTIO ONEBanking interface. The top navigation bar includes the date '15-Dec-2022', language 'English', software version 'Azentio Software', user 'AZENTMAIN', and a profile icon for 'ANANT'. The left sidebar menu is expanded, showing options like Reports, Financial reporting, Enquiry, Financial transaction (highlighted), Petty cash, Master reports, and Transaction reports. The main content area is titled 'Financial Transaction' and contains a form with the following fields: Branch Code, GI Code, Transaction From Date (with a calendar icon), Transaction To Date (with a calendar icon), Transaction Ref No, and Account Number. A 'VIEW' button is located in the top right corner of the form area.

This screenshot is similar to the one above, showing the AZENTIO ONEBanking Financial Transaction screen. However, the 'Branch Code' dropdown menu is open, displaying the message 'No items found'. The rest of the interface, including the top navigation bar, sidebar menu, and other form fields, remains the same.
