The screenshot shows the PAYMENT_FILE_CONFIGURATION screen in the AZENTIO ONEBanking application. It includes a left navigation menu and a main configuration area. The main area has fields for Entity Branch (Azentio Main Branch), Txn Status, and Status (ACTIVE). There is a section for Txn Date and a dropdown for Create File Basis with options: Bank Wise, Bank & Account Number Wise, Bank Wise, and Payout Wise. Below this is a table with columns Hour, Minute, and Action, showing a total of 1 item. The top right shows the date 18-Jan-2023 and user ANANT.
