The screenshot displays the Kastle Universal Banking (Beta) web application interface. The top navigation bar includes the date (26-Oct-2022), language (English), software version (Azentio Software - (AZENTMAIN)), and a user profile (ANANT). A sidebar on the left lists various modules, with 'Asset creation common' highlighted. The main content area shows the 'Asset Creation Common' form, which includes fields for 'Asset Life Unit' (with a dropdown menu open showing 'Month' and 'Year') and 'Date'. A 'VIEW' link is visible in the top right corner of the form area. The bottom navigation bar contains 'Home' and 'Preference' links.
