(S) Check Impairment Loss booking
Report

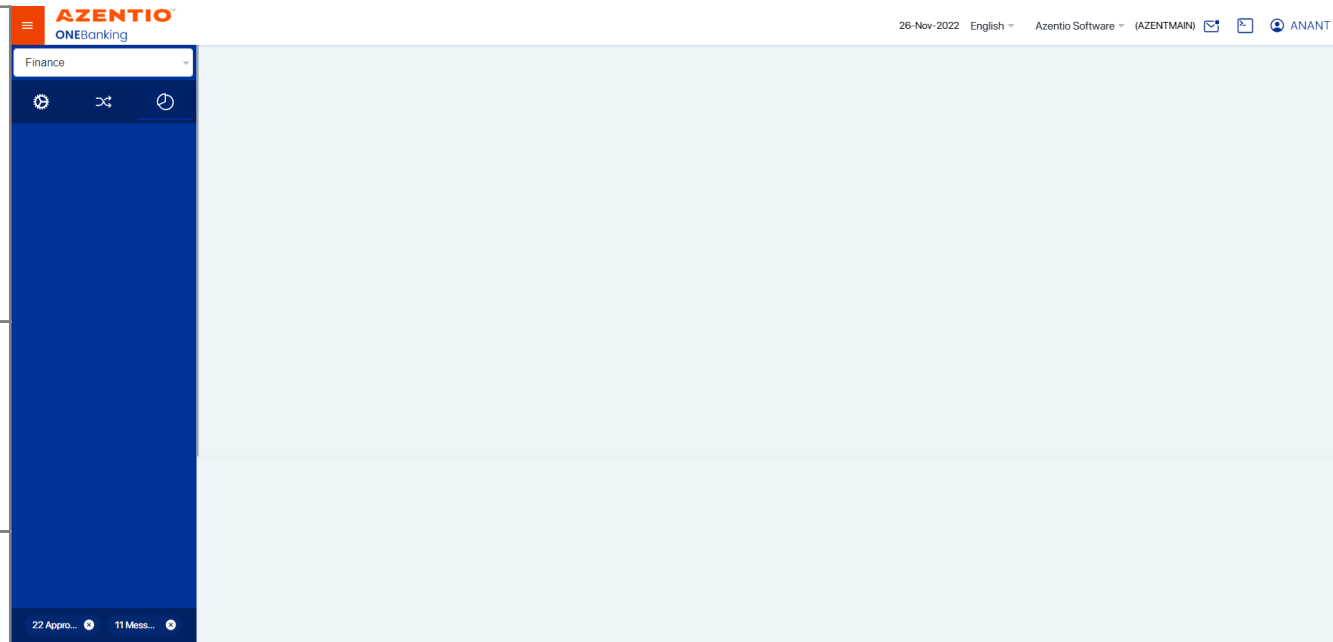

(F) To verify the reports for fixed asset

The screenshot shows the Azentio ONEBanking web application. The top navigation bar includes the date '26-Nov-2022', language 'English', and user information 'Azentio Software - (AZENTMAIN)'. The left sidebar menu is expanded, showing various report categories: Reports, Financial reporting, Enquiry, Petty cash, Master reports, Transaction reports, and a list of specific reports including Asset replacement report, Asset impairment loss booking report, Asset return report, Assets re-valuation report, Asset allocation report, Asset de-allocation report, and Asset Amendment Report. The main content area is a large, empty light gray rectangle with a small document icon in the center, indicating that the report content is not yet loaded or is blank.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Check Impairment Loss booking
Report

(F) To verify the reports for fixed asset

This screenshot shows the same Azentio ONEBanking interface, but now displaying the 'Asset Impairment Loss Booking Report'. The report title is visible at the top of the main content area. Below the title, there is a section labeled '*Impairment Loss Booking As On' followed by a date picker icon. The left sidebar menu remains the same, with the 'Asset impairment loss booking report' item highlighted. The top navigation bar and user information are also consistent with the previous screenshot.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Check Impairment Loss booking
Report

(F) To verify the reports for fixed asset

The screenshot displays the Azentio ONEBanking web application. On the left is a dark blue sidebar menu with the 'AZENTIO ONEBanking' logo at the top. The menu includes sections for 'Reports', 'Financial reporting', 'Enquiry', 'Petty cash', 'Master reports', 'Transaction reports', and a list of specific reports: 'Asset replacement report', 'Asset impairment loss booking report' (which is highlighted in blue), 'Asset return report', 'Assets re-valuation report', 'Asset allocation report', 'Asset de-allocation report', and 'Asset Amendment Report'. At the bottom of the sidebar, it shows '22 Appro...' and '11 Mess...'. The main content area has a top navigation bar with the date '26-Nov-2022', language 'English', and user information 'Azentio Software - (AZENTMAIN)'. The title of the page is 'Asset Impairment Loss Booking Report' with a 'VIEW' link on the right. Below the title is a search bar containing the text '*Impairment Loss Booking As On' and a calendar icon. The main body of the report is currently empty.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Check Impairment Loss booking
Report

(F) To verify the reports for fixed asset

This screenshot is similar to the one above, showing the 'Asset Impairment Loss Booking Report' in the Azentio ONEBanking application. The sidebar menu and top navigation bar are identical. However, in the search bar, the text '*Impairment Loss Booking As On' is followed by the date '26/11/2022'. Below the search bar, a large, empty rectangular box is visible, likely intended for displaying the report data for the specified date.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Check Impairment Loss booking
Report

(F) To verify the reports for fixed asset

The screenshot displays the Azentio ONEBanking web application. On the left is a dark blue sidebar menu with a 'Finance' dropdown at the top. The menu items include Reports, Financial reporting, Enquiry, Petty cash, Master reports, Transaction reports, Asset replacement report, Asset Impairment loss booking report (which is highlighted in blue), Asset return report, Assets re-valuation report, Asset allocation report, Asset de-allocation report, and Asset Amendment Report. At the bottom of the sidebar, it shows '22 Appro...' and '11 Mess...'. The main content area has a header with the title 'Asset Impairment Loss Booking Report' and a 'VIEW' link. Below the header is a box containing the text '*Impairment Loss Booking As On 26/11/2022' and a calendar icon. The top right of the page shows the date '26-Nov-2022', language 'English', and user information 'Azentio Software - (AZENTMAIN)' with icons for email, print, and user profile.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Check Impairment Loss booking
Report

(F) To verify the reports for fixed asset

This screenshot is identical to the one above, showing the Azentio ONEBanking interface with the 'Asset Impairment loss booking report' menu item highlighted in the sidebar and the corresponding report title in the main content area.
