The screenshot displays the Kastle Universal Banking application interface. The top navigation bar includes the date (21-Oct-2021), language (English), software version (Azentio Software), and user information (ANANT). The left sidebar lists various configuration modules under the 'Finance' category, with 'Budget definition' highlighted. The main content area shows the 'Inbox: 1 Definition' page, which contains a table of budget definitions. A modal dialog box is open, displaying a success message: 'Budget Registration created successfully.' The table lists budget codes, names, types, statuses, creation dates, and modification dates.
