The screenshot displays the AZENTIO ONEBanking web application. The top navigation bar includes the date '05-Dec-2022', language 'English', and user information 'Azentio Software - (AZENTMAIN)'. A sidebar menu on the left lists various reports, with 'Asset contract' highlighted. The main content area is titled 'Asset Contract' and features a 'VIEW' button. Below the title, there are input fields for 'Contract Reference No' and 'Date'. The interface is clean and professional, with a blue and white color scheme.

(Step) AFTER_STEP - stepdefinitions.

(F) To verify the reports for fixed asset

This screenshot is identical to the one above, showing the AZENTIO ONEBanking interface. However, in the 'Date' input field, a calendar icon is now visible, indicating that the date selection functionality is active or being tested. The rest of the interface, including the sidebar menu and top navigation bar, remains the same.
