The screenshot displays the Azenzio ONE Banking web application. The top header features the Azenzio logo on the left, followed by the date "21-Nov-2022", language "English", software version "Azenzio Software", user name "(AZENTMAIN)", and several utility icons (mail, calendar, help) along with the ANANT logo on the right. Below the header is a dark blue sidebar menu. At the top of the sidebar is a search bar containing the word "Finance". Below the search bar are three circular icons representing different functions. The main body of the sidebar lists various configuration options, each preceded by a circular icon with a checkmark: "Business partner setup", "General ledger configuration", "Accounting setup", "Expense/AR & AP configuration", "Budget configuration", "Fixed assets configuration", "Inventory maintenance", "Bank recon", and "Petty cash configuration". The "Recon format" option under "Bank recon" has a small clock icon and a checkbox next to it. The bottom of the sidebar shows two notification counts: "22 Appro..." and "11 Mess...". The main content area of the page is a light gray space.
