The screenshot shows the AZENTIO ONEBanking interface. The top header includes the date '17-Dec-2022', language 'English', software version 'Azentio Software', user '(AZENTMAIN)', and a profile icon for 'ANANT'. The left sidebar is a dark blue menu with 'Finance' at the top. Under 'Reports', 'Financial reporting' is expanded, showing options like 'Financial transaction report', 'GL balances report', 'GL monthly balances report', 'Trial balance report', 'Trial balance report summarized', 'Balance sheet report' (highlighted), 'Cash flow statement report', 'Income statement report', 'Comparative cashflow report', 'Comparative profit and loss', and 'Comparative Balance Sheet Report'. Below this are 'Enquiry' and 'Petty cash'. The main content area is titled 'Balance Sheet Report' and has a 'VIEW' link. It contains three filter fields: 'Branch' (with a dropdown arrow), 'Report Type' (with a dropdown arrow), and 'Balance Sheet As On' (with a calendar icon).

This screenshot is similar to the one above but shows the filters populated. The 'Branch' filter is set to 'AZENTMAIN-Azentio Main Branch' and the 'Report Type' filter is set to 'Own branch'. The 'Balance Sheet As On' filter remains empty with a calendar icon. The rest of the interface, including the sidebar menu and top header, is identical to the previous screenshot.
