HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Verify accounting entries for cleared
cheques.

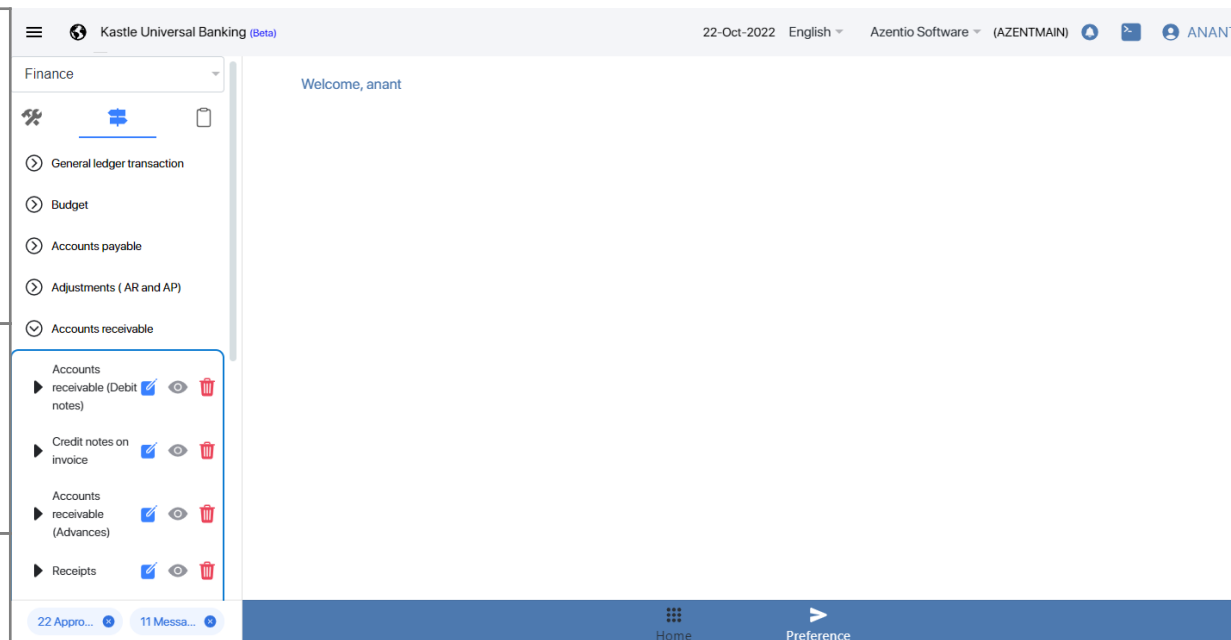

(F) ACCOUNTS RECEIVABLE

The screenshot displays the Kastle Universal Banking (Beta) web application. The top header bar includes the date '22-Oct-2022', language 'English', software version 'Azentio Software (AZENTMAIN)', and a user profile for 'ANANT'. A left sidebar menu lists various financial modules: Finance, General ledger transaction, Budget, Accounts payable, Adjustments (AR and AP), and Accounts receivable. The 'Accounts receivable' module is expanded, showing sub-items: Accounts receivable (Debit notes), Credit notes on invoice, Accounts receivable (Advances), and Receipts. The main content area shows a 'Welcome, anant' message. The bottom navigation bar features 'Home' and 'Preference' links.
