The screenshot displays the Kastle Universal Banking (Beta) web application. The top header bar includes the date '06-Oct-2022', language 'English', software version 'Azentio Software (AZENTMAIN)', and a user profile for 'ANANT'. A left sidebar menu is visible, listing various financial modules: Finance, General ledger transaction, Budget, Accounts payable, Adjustments (AR and AP), Accounts receivable, and Fixed assets. The 'Fixed assets' module is expanded, showing sub-options: Asset creation, Asset transfer, Asset undertaking, Asset sale, and Asset allocation. Each sub-option has a blue checkmark icon, a red eye icon, and a red trash icon. Below the sidebar, there are two buttons: '22 Appro...' and '11 Messa...'. The main content area displays 'Welcome, anant'. At the bottom, there is a dark blue navigation bar with 'Home' and 'Preference' links.
