(F) Registratio Tests

The screenshot shows the 'Your Store' registration page. The header includes a currency selector, phone number, account menu, wish list, shopping cart, and checkout link. A navigation bar lists product categories. Below the navigation bar, there's a breadcrumb trail: Home > Account > Register. The main heading is 'Register Account', followed by a link to the login page. The 'Your Personal Details' section contains four input fields: First Name (arun), Last Name (motoori), E-Mail (arun.motoori@yahoo.co.in), and Telephone (12345678). The 'Your Password' section has two password input fields. A 'Newsletter' section has a 'Subscribe' label and radio buttons for 'Yes' and 'No' (selected). At the bottom, there's a checkbox for 'I have read and agree to the Privacy Policy' and a 'Continue' button.

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) Register an account with valid details

(F) Registratio Tests

This screenshot shows the same 'Your Store' registration page, but with an error message displayed at the top: 'Warning: E-Mail Address is already registered!'. The form fields for personal details, password, and newsletter subscription are identical to the previous screenshot. The 'Continue' button is still present at the bottom.

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)
