cheques

(F) Check the Functionality of AR/AP  
Module

The screenshot displays the Kastle Universal Banking (Beta) application interface. The top header shows the date (19-Oct-2022), language (English), software version (Azentio Software - (AZENTMAIN)), and user profile (ANANT). The left sidebar contains a navigation menu with options: Reports, Financial reporting, Enquiry, Financial transaction (highlighted), and Petty cash. The main content area is titled "Financial Transaction" and features a form with the following fields: Branch Code (AZENTMAIN-Azentio Main Branch), Branch Name (Azentio Main Branch), GI Code, Transaction From Date, Transaction To Date, Transaction Ref No, and Account Number. A "VIEW" link is located in the top right corner of the form area. At the bottom, there are buttons for "Home" and "Preference", along with notification counts for "22 Appro..." and "11 Messa...".

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) Verify accounting entries for cleared  
cheques

(F) Check the Functionality of AR/AP  
Module

This screenshot is identical to the one above, showing the Kastle Universal Banking (Beta) interface with the "Financial Transaction" form. However, a semi-transparent modal overlay is visible in the foreground, partially obscuring the "Transaction From Date", "Transaction To Date", and "Account Number" fields. The modal appears to be a confirmation or information dialog. The rest of the interface, including the header, sidebar, and bottom navigation, remains the same.

(Step) AFTER\_STEP - stepdefinitions.
