(S) Register an account with valid details

(F) Registratio Tests

The screenshot shows the 'Your Store' registration page. The header includes a currency selector, phone number, account link, wish list, shopping cart, and checkout button. A navigation bar lists product categories. Below the navigation bar, there's a breadcrumb trail: Home > Account > Register. The main heading is 'Register Account', followed by a note: 'If you already have an account with us, please login at the login page.' The form is divided into three sections: 'Your Personal Details' with fields for First Name, Last Name, E-Mail, and Telephone; 'Your Password' with fields for Password and Password Confirm; and a 'Newsletter' section with a 'Subscribe' checkbox. At the bottom, there's a checkbox for 'I have read and agree to the Privacy Policy' and a 'Continue' button. On the right side, there's a vertical menu with links: Login, Register, Forgotten Password, My Account, Address Book, Wish List, Order History, Downloads, Recurring payments, Reward Points, Returns, Transactions, and Newsletter.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Register an account with valid details

(F) Registratio Tests

This screenshot shows the same 'Your Store' registration page, but with the form fields filled out. The 'Your Personal Details' section has 'First Name' as 'arun', 'Last Name' as 'motoori', 'E-Mail' as 'arun.motoori@yahoo.co.in', and 'Telephone' as '12345678'. The 'Your Password' section has both 'Password' and 'Password Confirm' fields filled with masked characters (dots). The 'Newsletter' section has the 'Subscribe' checkbox selected. The 'I have read and agree to the Privacy Policy' checkbox is also checked. The 'Continue' button is still present at the bottom right. The right-side menu and header elements remain the same as in the previous screenshot.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Register an account with valid details

(F) Registratio Tests

The screenshot shows the 'Your Store' registration page. The header includes a currency selector, phone number, and links for account, wish list, shopping cart, and checkout. A navigation bar lists product categories. The 'Register Account' section has a message about logging in if an account exists. The 'Your Personal Details' section contains input fields for First Name (arun), Last Name (motoori), E-Mail (arun.motoori@yahoo.co.in), and Telephone (12345678). The 'Your Password' section has fields for Password and Password Confirm, both masked with dots. A 'Newsletter' section has a 'Subscribe' checkbox and radio buttons for 'Yes' and 'No' (selected). At the bottom, there is a checkbox for 'I have read and agree to the Privacy Policy' and a 'Continue' button.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Register an account with valid details

(F) Registratio Tests

This screenshot shows the same 'Your Store' registration page, but with an error. A red warning message at the top states: 'Warning: E-Mail Address is already registered!'. The input fields for personal details and password remain the same as in the previous screenshot. The 'Continue' button is no longer visible, and the page ends with a blue horizontal line.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) Register an account with valid details
