The screenshot displays the Kastle Universal Banking (Beta) application interface. The top navigation bar includes the date (31-Oct-2022), language (English), software version (Azentio Software), and user information (ANANT). The left sidebar lists various budget-related functions, each with a checkmark icon: Budget creation details, Supplementary budget, Transfer of budget details, Inventory items details, Inventory request, Inventory stock receipt, Purchase requisition, Stock confirmation report, Stock issuance, Stock return, Fund requisition report, Petty cash receipt report, and Advance cash report cash memo. The main content area is titled "Budget Creation Details" and features a "VIEW" link. Below the title, there is a form with two sections: "Budget Type" and "Budget Creation As On". The "Budget Type" section has a dropdown menu, and the "Budget Creation As On" section has a date picker. The bottom navigation bar contains icons for Home and Preference, along with notification counts (22 Appro... and 11 Messa...).
