The screenshot shows the Kastle Universal Banking (Beta) interface. The top navigation bar includes the date 04-Oct-2022, language English, and user ANANT. The left sidebar lists various configuration modules, with 'Asset category' highlighted. The main content area displays the 'ASSET\_CATEGORY' form. The form has three dropdown menus: '\* Asset Category' (set to 'Furnitures & Fixtures'), '\* Asset Sub Category' (set to 'Table & Chair'), and '\* Asset Item category' (set to 'Wooden'). Below these is a text field for '\* Asset Description' containing the text 'Wooden'. The bottom navigation bar shows 'Home' and 'Preference' buttons.
