(F) Checking the Bank Reconciliation functionality

The screenshot displays the Azentio ONEBanking application interface. On the left is a dark blue sidebar menu with icons and labels for various financial functions: General ledger transaction, Budget, Accounts payable, Adjustments (AR and AP), Accounts receivable, Fixed assets, Inventory management, Petty cash, and Bank recon. The main area shows the 'Bank recon' screen for 'IDFC BANK'. At the top, there's a header bar with the date '28-Jan-2023', language 'English', user 'Azentio Software', and company '(AZENTMAIN)'. Below this, a calendar widget for January 2023 is open, highlighting the 20th. The reconciliation form includes fields for 'Bank Name' (IDFC BANK), 'Account Number' (3232999123), 'Account Currency' (INR), and 'Recon Period From' (19-Jan-2023). There are also sections for 'Upload File' (with a 'Choose File' button and filename 'IDFC_RECON04.txt') and 'File Name' (IDFC_RECON04.txt). At the bottom, it shows 'Closing Balance As Per Bank Statement *' as 1000.0 and 'Bank GL Balance *' as 1500. A 'PROCESS' button is visible in the top right corner.
